

The best time in the year to paper is when everybody else has finished. Then there is no difficulty in securing the services of a competent paper hanger because of the light demand for such work and another and more potent reason is that after the regular season is over you can buy paper hangings at 1/3 to 1/2 off the regular prices. We are now selling wall paper at actual cost. Not remnants either, but full lines and a large variety of designs:

Table with 2 columns: Paper description and Price. Includes 'Papers that were 15c per roll, now 10', '20', '23', '35'.

and all others at proportionate reductions. At these prices we do not expect the stock to last a great while.

The name of Leon Czolgosz, the assassin of President McKinley, is best pronounced by the uninitiated by recollecting how the Russian always introduces a "t" into the pronunciation of the name of the czar. Thus the Russian says "t zar." In the case of Czolgosz one should say "Tschalgotch," with the "t" faintly sounded and the second "t" quite full. The average American, however, will get it as "Shalgotch," and that is about as correct as he can make it. It doesn't matter much anyway. He will soon go through the electric chair and then it will not be necessary to ever pronounce the dastard's name again.

Messrs. C. R. Vashinder, of Brookville, W. A. Crossman, of Redelyffe, Forest county, and Alonzo Inskip, of McKeesport, recently purchased a large timber tract in West Virginia, for which they paid the sum of \$85,000. The tract is located in Tucker county, about 10 miles from Elkins, and is on the line of the West Virginia Central railroad. The tract contains about eight thousand acres, on which it is estimated there is one hundred million feet of lumber. The purchasers contemplate building a band mill on the tract this fall, and will commence operations at once. They feel quite sure that they got a good thing when they made this purchase, and that they will be able to operate the lumber on the tract at a handsome profit.—Brookville Republican.

Memorial Services.

Never in the history of our Republic has there been a sorrow more profound and general than that through which our nation has just passed. Touched at its very core, waves of tenderest sympathy and love extended to the hearthstone of every loyal American. The nation's pulse-beat could be felt in the voice and countenance of every man, woman and child who appreciates the privilege of living in "The land of the free and the home of the brave." The untimely death of our beloved leader proved a common sorrow shared alike by all sections, parties and religious beliefs. On Thursday last business was suspended everywhere and a silence fell over this great land of ours as a significant tribute to the memory of our chief. The citizens of Tionesta showed their loyalty and sympathy in a most appropriate observance of the day. Flags at half mast twined with crepe, swung from many homes and places of business, and spanned our streets. Pictures of President McKinley, with festoons of black wound with the national colors were the more general decorations, and also adorned the walls of the school-rooms. By order of the school-board, the schools were called but for a short time that morning, which was entirely devoted to a review of the life and death of the late President. At noon all places of business were closed and at 2:30 p. m. a large number of our citizens assembled in the Presbyterian church which was tastefully decorated for the occasion, and where union memorial services were held. The pastor of the church, Rev. J. V. McAninch, was unavoidably absent, and the services were conducted by Revs. W. P. Murray of the M. E. church and C. H. Miller of the P. M. church.

President McKinley's favorite hymn—"Nearer, My God, to Thee" and "Lead Kindly Light"—were sung. Mrs. Sharpe sang as a solo the hymn, "Sometimes We'll Understand," and was assisted in the chorus by a choir composed of singers of the M. E. and Presbyterian churches. Burgess T. F. Ritchey read the proclamations of President Roosevelt and Gov. Stone. The memorial oration, which was most excellent and one long to be remembered, was delivered by Rev. Murray. Mr. Murray eloquently eulogized the noble statesman, the brilliant orator, the heroic soldier and the model christian American. He reviewed the life of William McKinley, showing how he had climbed round by round from the humble walks of life to the highest pinnacle of fame in his country, attributing the success of our chief executive to his having become a christian at the age of fourteen and of his faithfulness to duty.

In striking contrast he gave as the keynote of the assassin's downfall, his education in the slums of anarchy. He clearly showed how much better it would have been for Czolgosz and for our country if the young man had gone into one of our city missions and had heard of the love of God to man instead of going, as he did, into a meeting where he was prompted to commit an act of infamy by the fire-brand who addressed it. Mr. Murray gave as a panacea for our national ailment the work of City Missions.

At the conclusion of this address, Rev. Miller spoke touchingly of our martyred President and expressed his surprise that any person enjoying the blessings and privileges our government affords should have committed such a crime against one who was always a friend of the laboring class of people and who did so much for them.

A tenor of patriotism characterized both addresses and America was never sung with more fervor than it was at the close of this memorial service.

Fall and Winter Millinery.

I have been to the City and selected a fine stock of Millinery, Pattern Hats, Ready-to-Wear Hats, Walking Hats, in fact everything in millinery the heart could desire.

Hats this year will be of more flat effects than formerly. Black hats, combinations of black and white, gray and castor, gray shaded, green and castor, will be special favorites. Feathers will be used extensively. A cordial invitation is extended to all. Mrs. A. C. Urey.

Josh Westhafer, of Logansport, Ind., is a poor man, but he says he would not be without Chamberlain's Pain Balm if it cost five dollars a bottle, for it saved him from being a cripple. No external application is equal to this liniment for stiff and swollen joints, contracted muscles, stiff neck, sprains and rheumatic and muscular pains. It also cured numerous cases of partial paralysis. It is for sale by Killmer Bros., Tionesta, and W. G. Wilkins, West Hickory.

SOMETHING TO REMEMBER.

When a cough or cold is long neglected consumption almost invariably follows. Remember Mexican Syrup only costs 25 cents a bottle, and yet has proven in many thousand cases an absolute safe cure for coughs, colds and consumption. Taken in time it cures quickly. Children like it because it tastes so good. Insist on your druggist keeping it for sale. Read the seemingly miraculous cures it has effected, printed on the wrapper around the bottle.

A Pitiabie Sight. What is more pitiable than to see a puny, delicate little child absolutely dying from neglect. There are many little ones, whose cheeks would grow rosy, whose flesh would be plump, and pretty if only the worms that are gnawing at their vitals were removed, which is easily effected with Mother's Worm Syrup, so nice to taste that children ask for it. Also a cure for tape worm in grown people. Try a 25 cent bottle.

The Secret of Good Health. The secret of beauty and good health is cleanliness. Uncleanliness breeds disease. Internal cleanliness is even of greater importance than external. Keep your liver and your bowels thoroughly clean by taking a Mexican Root Pill occasionally. Their use does the nerves, kidneys, etc., good also. Only 25 cents a box.

Goepch's Quick Relief. When your joints and bones ache and your flesh feels tender and sore, a 25 cent bottle of Goepch's Quick Relief will give you quick relief. Best cure for colic.

Healthy Blood Makes Healthy Flesh. To have good flesh and good feeling, to look well and feel well take some Goepch's Sarsaparilla. Nothing else so good for pale and sickly women.

Pile—the Cures Piles. Money refunded if it ever fails. Anti-Ague cures Chills and Fever.

HOW about your stock of Stationary? We do high class Job Printing. IT PAYS TO ADVERTISE IN THIS PAPER.
